ALI JINNAH

# The Anti-Hero of FREEDOM

In a provocative retelling of Jinnah's story, Jaswant Singh shatters many cosy assumptions about Partition and Independence

| By S. Prasannarajan |

When your average politician takes a trip through history, we know what he is up to. The great yesterday, or even the ravaged yesterday, is a scrapyard where he can always find saleable items of hate and mobilisation. Souvenirs of kitsch that are of great emotional value in the marketplace of politics. But then, the author of *Jinnah*—and it comes with a triple hyphenated subtitle—is not your average politician: soldiering shaped his nationalist mind; honour is still his calling card. What we have in this book is a scholar politician who not only argues with the history of the subcontinent but redeems one of its most enigmatic makers from the Manichean stereotype. The story of
