Come and experience the largest range of Modern and Contemporary Art at India's International Art Fair.

This 2nd edition of India Art Summit™ will showcase over 500 artists by 54 galleries from 11 countries participating from India, the larger Asian region as well as the Middle East, Europe and the United States.

To add to the Art Fair experience for all Indian and foreign visitors, a range of exciting talks & panel discussions, film screenings, curated projects & collateral events have been planned over the 4 day event in New Delhi.
