

Hon'ble Former Minister of State for Home Shri Sripakash Jaiswal presenting the coveted award to Director Prof. (Dr.) Renu Luthra, Galgotias Business School on behalf of Chairman, Mr. Suneel Galgotia

combining lectures, case studies, projects, games and outdoor sessions for overall development of students. All new students go through a week-long orientation program which includes sessions to help them settle down, get to know each other and form strong working teams.

#### Corporate Resource Centre

The Corporate Resource Centre at GBS shows the growing collaboration with the corporate world. This is evident by the continued guest lecture series, corporate seminars, industrial tours, corporate talks and interactive sessions with the corporate tycoons that the Institute-Industry interface is maintained. CRC involves students in various activities to develop the managerial effectiveness. It also helps students by counseling them to choose an appropriate summer project and final placements. Throughout the year the students organize and participate in various face-to-face interactions with leading industry professionals through seminars and guest lecturers that prove to be regular 'reality checks' for the students.

#### Entrepreneurship Development Cell

GBS emphasizes on the fact that it is the entrepreneurship that makes an enterprise succeed, be it an entrepreneurial firm, a corporate giant, a small business or a family business. Special entrepreneurship programs are organized from time to time to help the students inculcate these skills. What's more, its Industry Institute Liaison Cell works enthusiastically, dealing with experts, industry's best employers, exhibitions, consultancies and technical festivals.

#### Entering the Global Gateways

Undoubtedly, this vast exposure to the industry makes the students highly Competitive Proficient Professionals who have global gateways opened for them.
