

MEWAR UNIVERSITY

360° EDUCATION IN A COMPETITIVE ENVIRONMENT

Ashok Kumar Gadiya
Chancellor

"Great objectives can be achieved only by great sacrifices"

quality teaching and learning", says Shri Ashok Kumar Gadiya, Chancellor of the University.

The University offers a wide range of courses from the certificate level to the Ph.D level and provides a conducive environment for learning. The University also has unique choice based flexible credit programmes of Dual Degree courses and grading system of examination.

The University draws its inspiration from the soil of Mewar, which has been enriched with patriotism, devotion, loyalty, self respect, sacrifice, valour and honour. The University aims to inculcate among its students the spirit of universal brotherhood while laying emphasis on respect for Indian culture and traditions.

Mewar University is the only University in the District of Chittorgarh in Rajasthan and is established to benefit students from every nook and corner of India and the world. It is a boon to students of nearby districts like Bhilwara, Neemuch, Rajsamand, Banswara, Dungarpur, Pratapgarh, Bundi, Udaipur (Rural) and Kota who do not have access to higher education in the vicinity.

The University fills the void in the area of higher, technical and vocational

Mewar University is an autonomous body promulgated by the Government of Rajasthan and recognised by UGC, Government of India. Set over a sprawling 30 acre campus in the lap of the Aravali ranges in Chittorgarh, Rajasthan, the campus can be easily approached by rail and road. "The University is committed to excel in teaching, training, capacity building, scholarship, research and public service. It values the appropriate use of Information and Communication Technologies and supports

VISION To develop a Center of Excellence for technical, professional and vocational education and research, at par with national and international standards.
MISSION To develop the framework for effectively conducting various educational and research programmes of the highest standards so as to produce confident, self-reliant, and responsible youth for the society and eminent professionals for government, industry and business.

education in the Mewar region, which has lagged behind as compared to Udaipur, Ajmer and Jaipur.

OBJECTIVES : ■ Provide easy access to high quality education in Management, Engineering, as well as other academic & professional fields to its students, irrespective of their caste, creed, age, gender, region or country, at affordable cost. ■ Offer conducive environment for pursuing research and vocational studies with market driven orientation. ■ Give students new ideas, fresh vision, pragmatic ambition and enhance competencies for success in the ever changing business environment. ■ Provide flexible choice based system of education & dual-degree programmes while adopting modes to suit students' requirement of learning. ■ Prepare and assist students in improving their career prospects through career and placement counselling, on-the-job training, industrial visits, presentations, group discussions, placement support etc. ■ Promote and practice convenient distance education concept in India and abroad. ■ Spread job oriented education in rural and tribal areas with the help of latest audio-visual communication and use of information technology.

TAXILA

BEYOND EDUCATION

Taxila has all the ingredients for a rich and vibrant research environment. It is among the few schools in the country that undertakes research with a focus on emerging and transition economies, striving to create synergies between India, Asia, and the global business environment.

Taxila provide a forum where knowledge and understanding of business can be exchanged between the academic and the corporate worlds. This constant exchange provides a theoretical, empirical, and practical foundation for an informed study of emerging markets.

To understand the logical and analytical base of research student needs to have the global exposure, for this the exchange programs at Taxila is giving opportunity for the interaction with the students from countries like Poland, Morocco, China, Slovakia,

students have joined recently the college for learning and to do research on many management topics with the students in India.

Taxila is widely recognized as a center of excellence in management education, having moulded itself according to the fast changing business and social environment. Its strength lies in its eminent faculty and the quality of its courses that have in many cases, been trendsetters.

Ranked 36 across the country with the philosophy of influencing practice and research as the key topic of growth and graded A++ in categories like placements, Internship, Learning ambience, Taxila has provided a sense of satisfaction to the students across the world.

The emerging Business challenges require corporate to create a reservoir of versatile executives with a strong base of functional knowledge along with general management perspective. The curriculum and the blend of practical theory's with experiments has given college the ability to utilize academic freedom to develop trend-setting educational programmes and pedagogic processes with long-term benefits for all student and other associated with Taxila.

The Institute has an enviable track record of recognizing the needs of the business and quickly and aptly responding by offering high quality relevant programmes.
