

Investing Tip 1

BAJAJ Allianz 

Make informed choices. Before investing in any way you should completely understand how your investments work and all the details of the transaction.

Introducing Bajaj Allianz Invest Plus – with upfront Guaranteed Investment Returns (GIR)!

Bajaj Allianz Invest Plus is a one-of-its-kind transparent and flexible policy, where the company will maintain two accounts; an Accrued Maturity Value (AMV) account for regular premiums and Additional Accrued Maturity Value (AAMV) account for additional premiums, which gives you Guaranteed Investment Returns (GIR) at the beginning of each financial year. **Bajaj Allianz Life Insurance Co. Ltd. has declared Guaranteed Investment Return of 7% for the financial year 2009-10.** Thus we offer you the 'Power of Guarantee'.

**Guaranteed Investment Returns
Guaranteed at the beginning of the Financial Year.**
