

Investing Tip 3

BAJAJ Allianz 

Invest in a long-term plan, which regularly adds value to your investment.

Bajaj Allianz Invest Plus gives you Loyalty Additions of 10% of each Net Premium from the 11th Policy Year onwards.

If you consistently pay the first 10 years' Regular Premium, you will receive Loyalty Additions of 10% of each Net Premium from the 11th Policy Year onwards. These will further enhance your Accrued Maturity Value (AMV) and give you maximum value for your money.
