

Office mails on the move

Vodafone Magic Box @ Work

The new Vodafone Magic Box @ Work, an exclusive Windows Mobile device from Vodafone, designed to allow you to work & play seamlessly. It gives you the similar Windows look and feel on the phone as on the PC. Check your office email (in MS Outlook); access the internet (Internet Explorer Mobile); and view, edit MS Office files (Word; Excel; Powerpoint) wherever you are. Also access your personal emails and get mail alerts without having to open the browser with Windows Live. A camera and MP3 player ensure that this is a perfectly affordable device for you on the go!
