

Haryana

World-Class Industrial Infrastructure

Haryana is speeding ahead on the path of all-round development and social welfare. Down the years since 1966, Haryana today stands as a beacon of development. By leveraging the locational advantage, world-class infrastructure and responsive administration, the Government ensures that development is given an authentic and decisive momentum.

- Bhupinder Singh Hooda
Chief Minister, Haryana

- Target to attract investments worth Rs. two lakh crore and offering employment opportunities to 10 lakh persons.
- Exports from the State surpassed the bench-mark of Rs.40,000 crore as well as export worth Rs. 17,500 crore in IT sector. Haryana counts 17.5 per cent of its share in total IT sector export of India.
- Industrial Promotion Act-2005 enacted giving statutory rights to investors for time-bound clearance of the projects.
- Self-certification scheme introduced to curtail unnecessary visits of inspectors and to streamline the inspection process.
- Single Window System introduced for facilitating industrialists.
