

ple. Since this Congress Government came to power, a sum of Rs 5,825 crore has been spent on the construction of 3,682 kilometres of roads and the repair of 20,335 kilometres of existing ones, which is a record of sorts.

Upgrading the National Capital Region

National Capital Region [NCR] is an important part of Haryana State. To improve the hassle free movement of traffic, the work on 12 Road Over Bridges [ROBs] have been taken up in the NCR out of which the work on 6 ROBs have already been completed and

the work on 4 ROBs will be completed during 2009-10. In addition the work of upgradation and improvement of 625 Km. length of road have been taken up under NCR loan scheme with a cost of Rs. 1,585 crore. Further the projects of Rs. 689 crore for up gradation of 328 km road length have been appraised and are expected to be approved any-time this year.

Strengthening infrastructure

In 2008-09, a programme for improvement of roads, by way of widening, strengthening, re-construction, raising, cement concrete pavements/blocks premix, carpet construction of side drains and culverts and retaining walls, was taken up. The PWD B&R is currently maintaining 24,218 kilometres of roads in the state, which include 1,462 kilometres of national highways, 2,523 kilometres of state highways, 1,508 kilometres of major district roads and 18,725 kilometres of other district roads.

To streamline the traffic on the Faridabad-Delhi National Highway No 2, an elevated six-lane over-bridge is being constructed at the cost of Rs 340 crore. Similarly, the work on the six to eight laning of the 28-kilometre National Highway No 8 connecting Gurgaon to New Delhi has been taken up at the cost of Rs 555 crore. The work on easing the traffic snarls on the Zirakpur-Panchkula-Kalka route on National Highway No 22 is also going on at a fast pace.

To connect National Highway No 1, 2, 8 and 10, the work on 135-kilometre-long Kundli-Manesar-Palwal Expressway has begun. The work on the six-laning of 63-kilometre Delhi-

"We have constructed 2,000 Kilometres of new rural link roads. We have also widened 5,000 kilometres of rural roads. Our priorities are very clear to develop both the sectors - urban and rural."

-Capt Ajay Singh Yadav
PWD Minister

Rohtak road on National Highway No 10 and four-laning of the Gurgaon-Faridabad and Ballabgarh-Sohana roads on BOT basis has already been allotted. The construction work of 21 bridges at the cost of Rs 23.48 crore has been completed, which has resulted in easing the flow of traffic in these areas.

A sum of Rs 90 crore has been earmarked to widen and repair old bridges
