

in the state which are in a dilapidated condition.

The work of construction of the six-lane 3.4 kilometre elevated bridge on

National Highway No 1 near Panipat has been completed at the cost of Rs 270 crore, making the journey trouble-free. The construction of 10-kilometre-long bypass at Sirsa at the cost of Rs 45.82

2,763 kilometres of district roads are being constructed and 2,329 kilometres of the existing ones are being repaired to facilitate the movement of traffic in rural areas.

"Fourteen National Highways, State Highways and Major district roads have been considerably improved, this former turned chief minister did focus on the rural roads. He neglected no sector. Not only more than 6,000 km of rural roads were widened to 5.5 meters and more, but an additional new rural road network of 2500 km were added during the last four years",

-Mr. Krishan Kumar Jalan
Secretary PWD [B&R]
