

Renovation work

- The houses of all Class III and IV employees taken up for renovation in 2008-09.
- Twenty school buildings to be renovated.
- As many as 41 judicial service centres added to the court complexes.
- The buildings of the Haryana Vidhan Sabha, Haryana Bhawan, Haryana Civil Secretariat and Benmore Guest House have been renovated. The VIP guest house of the Raj Bhawan is now being taken up.

and the work on 20 other ROB is in progress. The work of construction of the ROB on National Highway No 10 at Sirsa at the cost of Rs 36 crore is in progress, which is expected to be completed in two years.

The work on the Rajiv Gandhi Bridges and Road Infrastructure Development Programme for the construction and repair of roads and bridges has been taken up in right earnest to strengthen the basic infrastructure and ensure smooth movement of traffic.

Introducing metro rail

With the formal laying of foundation stone by the chief minister in August

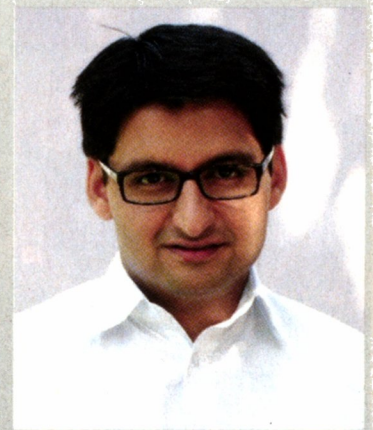

for the extension of the Metro rail line up to Sushant Lok in Gurgaon, efforts are afoot to get it extended up to Bahadurgarh to ease the congestion of traffic in this upcoming industrial town. The work of laying the railway line on the Rohtak-Jhajjar-Rewari route is also in progress. There is also a proposal to electrify the rail link between Delhi and Rohtak in a phased manner to ease traffic bottlenecks.

Building infrastructure

The building works involving an investment of Rs 1,478 crore are in progress. These include 27 buildings of the Revenue Administration, 37 buildings of the Administration of Justice, 7 jail buildings, 254 health buildings, 41 education buildings, 50 ITIs, 8 technical education buildings and 18 other buildings. A sum of Rs 690 crore has already been spent on these works.

New route of Public-private partnership

The government has taken steps to attract public-private partnership in the roads sector, which is necessary for accelerated infrastructure development. The work of improvement of the Gurgaon-Faridabad road and Ballabgarh-Pali-Dhauj-Sohna road has been allotted to Reliance Infrastructure. It will entail an investment of Rs 180 crore. This area is going to get more attention in the coming years. ■

Deepender Hooda, Rohtak MP

Big boost

It was largely due to the untiring efforts of Rohtak MP Deepender Hooda in persuading Union Minister for Road Transport and Highways Mr. Kamal Nath to declare six of the State Highways as National Highways. These are Sonipat-Gohana-Jind, Ambala-Saha, Saha-Sahabad, Uklana-Tohana-Patran, Rohtak-Bhiwani-Loharu and Gurgaon-Jhajjar-Beri-Kalanaur-Meham.

The Union Minister also sanctioned 14 road projects worth Rs. 307 crore under Central Road Funds scheme to upgrade 250 Kilometres of State Highways and 30 Kilometres of major District Road. The State will also be getting a record sum of Rs. 350 crore for upgrading National Highway. With this investment, all National Highways passing through Haryana will be widened by atleast 7 meters. Besides, he also approved the construction of bypasses at Mehram, Madina, Kharkhara, Bhaini Maharajpur and Hansi; providing grade separators at Israna, Chirana and Kayath villages and providing three under passes to connect the two sides of the Rohtak IMT. He also ordered NHAI to release funds for construction of flyover at Bahalgarh Junction and for 6 laning of bridge near Rasoi, in addition to providing additional grade separator at Panipat refinery junction, Anaj Mandi junction at Karnal and Saha Sahabad road on NH-1, four additional grade separator on NH-8, one additional grade separator on NH-8 and three additional grade separator on NH-10.
