

Breathe Indian... Feel Indian... Live Indian...

Who will carry the legacy forward...

They are the role models for a billion citizens of a dynamic, resurgent India - having established new standards with their vision, zeal and resolve; emerged eventually as the category winners for politics, business, sports, entertainment, public service and global Indian in the biggest and the most credible awards in the Indian media. As the excitement and expectations reach the final stage, a special one hour show - 'Who will be the Indian of the Year?' will debate the chances of each of the category winners of becoming CNN-IBN Indian of the Year 2008, before the spectacular Grand Finale, where the most deserving of them all will be crowned.
