...hing to worry about. The
bullet will go through me'

2008

NEWSMAKER

THE DRIST

India the most scalded victim of
has at last prompted us to recognise
a nation under attack. He
security and the reach of the enemy.

If this is our 9/11
let's fight it like US

THE UNPRECEDENTED terrorist assault on Mumbai last night...
...the deadliest and we are still counting 24 hours later...
...the nation and the world have witnessed a moment and the no matter how...
