

Ansal Institute of Technology (Pioneered by IITians)

Educating Students for Global Careers

Ansal Institute, set up in the year 2000 has acquired International reputation in providing world-class education. It is established by the prestigious Ansal Group on a sprawling WiFi campus in Gurgaon, the corporate hub of MNCs.

Ansal Institute has been recognised by UGC under section 2f and All India Council for Technical Education to run B.Tech. programs in Computer Science and Engineering (CSE), Electronics and Communication Engineering (ECE), Information Technology (IT) and has been among the premier institutes in North India for BBA, BBA (B&I) and BCA programs with GGSIPU, Delhi. Through its value added courses, Ansal Institute has made the program holistic, meeting the stringent Indian guidelines for a professional degree along with providing broad-based education so important for personality development – a feature considered important for success in corporate sector along with meeting the requirements of overseas universities.

Education Beyond Curriculum

The holistic approach adopted by Ansal Institute over the years has carved out a niche for itself in education world & has yielded extraordinary dividend. Its students & graduating product have found good placement in companies like Wipro, Hughes Systems, ICICI, Sapient, Mahindra British Telecom, IDBI, Sahara India, KPMG, John Deere, IBM etc and admission to overseas universities like Clemson University, North Dakota State University, San Jose State University, New Jersey Institute of Technology, Eastern Michigan University, Tarleton State University, North Carolina State University, McMaster University, University of New Brunswick, University of Windsor, Saint Mary's University, Deakin University, University of Western Australia etc.

Gunjan Sharma, Batch 2002

(Presently working in Investment Technology Group Inc., Los Angeles, CA)

"Such an exposure into the global IT arena wouldn't have been possible for me without Ansal Institute. Now I have a respectable designation and getting handsome salary."

Rahul Pruthi, Batch - 2003

"My education at Ansal Institute laid a sound foundation for a global career. Now I am pursuing my MBA from world famous Thunderbird School of Global Management, USA."

International Exposure and Practical Experience: At Ansal Institute, students are provided global opportunities to get invaluable international exposure to the best practices of the global corporate environment and learn more about the work culture overseas. The students get international perspective by regular interaction with professors and

Students from countries like USA, Canada, France, Thailand, Maldives and Nepal come to study at AIT

students from overseas and by attending international conferences organized at the campus.

Impressive Track Record: In the last few years over 600 students from Ansal Institute have been accepted by reputed universities in the US, Australia and Canada. Most of these students have gone on scholarship/assistantship demonstrating the International recognition of Ansal Institute's high-quality education.

Students who make it to Ansal Institute carry the dreams and determination to emulate the feats of successful alumni of Ansal Institute like Kumar Jeev who went to Johns Hopkins, Kunal Gogia who works for KPMG, Himanshu who is doing MS (CS) at Columbia, Manuj Yadav who went to Australian National University, Sumeera Nangia who works for Avidyne Corporation, Surbhi Kapoor who won \$1000 prize and internship at Nymex, Sudip Niyogi who works for Cisco and hundreds of others who have brought laurels to their alma mater by winning President's and Dean's honor awards for academic excellence.

Mr. Budhiraja

Proud father of Lavnish who studied at Ansal Institute.

"One smart move changed my son's life. Lavnish made it in to Ansal Institute where his potential was nurtured for a global career. The teachers are proud of him and as parents we are overjoyed."
