

COVER STORY

WAR ON TERROR

What Should Be Done

As part of INDIA TODAY's DWOT campaign, here's a time-bound Agenda for Action, focusing on key problem areas.

The Home Front

A revamp of the home ministry and related agencies is required.

Tackling Pakistan

A global diplomatic thrust to expose Pakistan's complicity is needed.

The Police Overhaul

Our policemen need better equipment, training and motivation.

Modernising the NSG

India's sword-arm in the war on terror needs to be strengthened.

Upgrading Intelligence

A change is needed in the set-up for intelligence gathering and dissemination.

Safeguarding Megacities

We need to build a security fortress around our major cities.

The Vulnerable Zones

We need to secure the coasts, airports, railways and other symbols of democracy.

Toughening the Law

The existing laws need to be modified to speed up the criminal justice system.

Squeezing Terror Funding

Track the movement of explosives and plug the flow of money to terrorists.

Strengthening the Armed Forces

This is what the armed forces need to do to meet the new challenges.

Winning Kashmir

Minds in Kashmir need to be won over and the fundamentalist threat countered.

Citizens' Charter

Here's what we can do individually to be responsible citizens and raise awareness.
