

Sanjana Ratnam
International
Bridal Designer

Prasad Bidappa
Style Guru

Dell celebrates the entrepreneurial
spirit of India's business achievers.

We salute their remarkable success.
And their unwavering determination to get there.

Instead of the well-worn road,
they have chosen to take their own path.
And we are proud to have been part of their journey.

This very moment, someone is
taking their first step with Dell.

Will you be the next?
