- Multimedia University, Malaysia.
- Ball State University, USA
- The University of Oklahoma, USA
- East Tennessee State University, USA.
- Nankai University, China.
- Georgetown University, USA.
- INM Leibniz – Institute for New Materials, gGmbH, Germany.

Corporate Relationship

The KLU office of Corporate Relations encourages a continuum of partnership between the industrial sector and the University, facilitating knowledge transfer as a two way process. Real time projects and internships are assigned to the students as this enhances their employability.

Career Advisers are available to guide and help the students on the available opportunities. Students are encouraged to attend the wide range of talks, information fairs and recruitment events conducted regularly. An Industrial Advisory Board guides the University, at every stage on the activities of the office of Corporate Relations.

Training and Placement

Training and Placement Section of the Office of Corporate Relations centrally coordinates the activities pertaining to Training and Placement. The corporate recruitment list has had the following companies as recruiters for their students.

Accord Software and Systems, Aricent Communication Systems, Aris Global, Aspire Systems, Cethar Vessels, Consolidated Construction Consortium, Cybernet Slash Support, Data Patterns, FLSmidth, iGATE Global Solutions, Infosys Technologies, Kalki Communication Technologies

(India), Larsen and Toubro, Real Value Promoter, Robert Bosch India, Saipem India Project Services, Sobha Developers, Sun Tec Business Solutions, Sutherland Global Services, Syntel India, Tata Consultancy Services, Tata Tele Services, US Technology Resources, Wipro Technologies.

Formation of study circles for career options.

Utilizing fully the various career opportunities available for engineering graduates in India and abroad, Kalasalingam University has formed the following study circles, focusing on specific career goals from the first year onwards

- 1.Higher studies in India – GATE preparation.
- 2.Higher studies in Abroad – TOEFL/ GRE preparation.
- 3.Management studies in India / Abroad CAT / GMAT preparation.
- 4.Employability in Defence sector.
- 5.Employability in public sector organizations / banks.
- 6.Civil Services Exams.

Courses under Non-CGPA credits.

Providing a platform for co curricular and extra curricular activities, the non-CGPA credit requirements has been introduced to earn the final degree. Each student has to earn a minimum of 20 credits, i.e. has to undergo a minimum of seven courses during their B.Tech program. The non-CGPA courses include in plant training, industry lectures, soft skills, international certifications, co-curricular activities, sports, NCC, NSS, international proficiency exams like TOEFL, IELTS, GRE GMAT, CAT, GATE and foreign languages like French, German, Japanese. It is compulsory for all the B.Tech students to appear for TOEFL, GRE / GMAT, and GATE examinations during third year and fourth year. These non-CGPA courses helps the students gain industry exposure, soft skills and also make the students eligible for higher studies all over the world.

Kalasalingam University is a leading provider of education and research with a depth and diversity of resources unmatched by other public universities. As an enduring symbol of the spirit of India – big, ambitious and bold – KLU drives economic and social progress and serves India as a leading centre of knowledge and creativity.
