We have experienced the benefits of Yakult ever since we have made it a part of our daily diet. Our digestion has improved along with our immunity. Now we live freely without the worry of infections. Thanks to Yakult's kiss of good health, we have embraced a life full of good health and happiness. Cheers!"

Yakult is a delicious probiotic drink from Japan for the entire family.

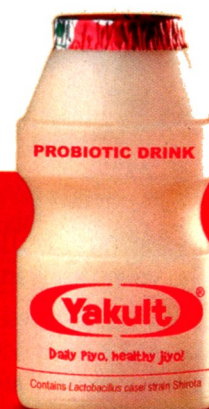

25 million people in 32 countries drink Yakult everyday.

For free home delivery & sampling call us at: 011-40626262, 40626299

Yakult is also available at retail stores near you.

For more information, visit www.yakult.co.in

It has over 6.5 billion friendly bacteria (*Lactobacillus casei* strain Shirota) that reach the intestine alive and suppress the growth of harmful bacteria.

Daily Piyo, healthy jiyo!
