

■ **SVAASA HEALTH CLINIC-** is a holistic health clinic where a complete approach to healing is adopted. Its principles are grounded in the fact that all disease and ailments are initially caused by stressors on the body manifesting in forms of inflammation, infections & pathogens and chronic vital nutrient deficiencies. In the process of identifying the root cause of the disease or ailments SVAASA uses the **Bioelectrical Impedance Measurement Testing**. By determining the presence of the infections & pathogens and the vital nutrient deficiencies the foundation of the path to healing is laid. **Wellness Consulting** then follows encompassing lifestyle, mitigation of stressors, and a suggested protocol of nutrients and herbal extracts to help bring the body into balance. These nutritional remedies in the form of herbs & plant & fruit derivatives address the cause of the ailments which may have manifested in external form or may be at the cellular level. The naturally derived vitamins, minerals, plant or herbal extracts termed as **Alternative Medicine** act as vital nourishment to the body. **Contact Dr. Deepak Sharma : 9818528018, E-mail ; consultation@svaasa.com**
