

ANANDAM- Your Life & Astrology & Spiritualism

ACHARYA ANITA
 We all are living in a state of constant conflict. Happiness is as elusive as ever. Numerous materialistic offerings are not able to quench our thirst of a fulfilling life. We are haunted by stress, problem, conflicts, diseases, failures, relationship problems...and the list is endless... Anandam an initiative by Acharya Anita one of the greatest living scholars of Vedas in modern times, for you, aims at solving your problem through knowledge of root cause of your problems, forewarning system to guide you safely through the journey of life...Remedies for what you are going through, all by using ancient wisdom of Vedic Astrology. Vedic Astrology i.e. Jyotish contains some concepts that are not found in any other school of astrology. It's not just about calculations & mathematics. Vedic Astrology is part of a holistic, integrated knowledge system and its effects can be bolstered by interoperating with its "sister" sciences like Ayurveda, Vaastu etc.

N.C. COLLEGE OF ENGINEERING- N.C. College of Engineering, Israna, Panipat was established in the year 1998 and is permanently affiliated to Kurukshetra University. The college was established by Lala Nemi Chand Educational Trust in the memory of Late Lala Nemi Chand Ji, a famous Social worker and Freedom Fighter of Bawal, Distt. Rewari, Haryana. The college is advancing under the dynamic and experienced hands of **Sh. Bhushan Gupta**-Chairman, **Sh. Vijay Gupta**-Vice Chairman, **Sh M.L Gupta**-Secretary, **Sh. Dharam Vir Gupta**- Treasurer, **Prof (Dr.) B.R. Marwah**- Executive Director & **Prof (Dr.) S.K. Satsangi**- Director. The institution has attained

a high academic reputation in the field of Technical Education in the North India. The college is the only college to be conferred the Autonomous Status by Kurukshetra University. The vision of the college is to impart high quality technical & management education to its students to make them world class Engineers & Managers. They are trained and geared up to take on the challenging tasks with the zeal to solve them efficiently. To fulfill the vision the College has a team of 200 dedicated faculty members. A team of highly qualified & experienced teachers from reputed institutions like IITs, NITs, DRDO etc is responsible in shaping and guiding the young and dedicated faculty members. The college is ISO-9001:2000 certified and maintaining the quality continuously for a decade. The college is committed to impart all round development of the students. In addition to providing students with the latest knowledge of the various branches of engineering at B.Tech. level (Electronics & Communication, Computer science & Engineering Information Technology, Mechanical, Biotechnology & Civil Engineering), the institute also emphasizes on ethical values & personality development programmes. In the Post Graduate programmes the college is having MBA, M.Tech. (Electronics & Communication Engg. Computer Sc. & Engg., Mechanical Engg.) courses. The college is soon going to start M. Tech in Biotechnology and Information Technology. Besides this, the College is also likely to start Ph.D. programme in all existing disciplines. Other than the regular courses the college is conducting Short Term Courses as and when requested from outside agencies. The Lush Green Campus of the institute lies in the Rural Surrounding on National Highway (NH-71A), 14 Kms off Panipat Town. The Institute is equipped with state-of-the-art facilities e.g. Lecture Theatres, Seminar Halls, Laboratories etc. The College has a well stocked Library with books and Journals.

N.C. COLLEGE OF ENGINEERING, ISRANA (PANIPAT) HARYANA

An Autonomous Institute, Permanently Affiliated to Kurukshetra University

Developing New Visions in Technology & Management

- Accredited by the National Board of Accreditation
- Approved by AICTE
- Permanently Affiliated to Kurukshetra University
