

emerging fields and have further the promise to achieve excellence in near future. All these efforts will enable the institute to provide most modern teaching and training facilities inside the country, which may ultimately be an alternative to Engineering & Management Education imparted in foreign countries. The emphasis at this institute is being initiated to provide awareness for students for earning while learning by doing creative work by establishing a close interaction of the institution with industries through sponsored research and consultancy in future.

■ SUDHA RUSTAGI COLLEGE OF DENTAL SCIENCE AND RESEARCH – Excellent Option for MDS and BDS career

Sudha Rustagi College of Dental Sciences and Research established in 2002 on the philosophy of nurturing excellence in the field of dental education and is well supported by state of the art infrastructure. The College is situated in the National Capital region of Delhi, in New Faridabad township of HUDA (under development). It is excellently connected with Delhi. It is surrounded by 85 villages which gives the College and Hospital a very healthy OPD. The college has been recognized by Ministry of Health & Family Welfare, Govt. of India, for BDS Course. It has been granted permission to start MDS course for 2009-10, in six specialties (Prosthodontics, Orthodontics, Conservative Dentistry, Periodontics, Community Dentistry and Oral Pathology). Dental Mechanics course is also being started from 2009-10 with Government sanction. College has got an eminent faculty. College students have always excelled in Academics, sport and extra curricular activities. College has its own - 100 bedded Multispeciality Hospital with all the modern facilities in the campus. The College has a modern Auditorium, having latest Audio-Visual equipment etc. with a seating capacity of 500. The

college has an acoustically designed and well-furnished library on 6500 sq ft. floor area with a seating capacity of 250 students with internet facilities. The College campus is spread over 10 acres, with a built-up area of 3,00,000 sq. ft. appx., is a self contained unit that provides facilities like separate Hostel of Boys and Girls with mess facilities, Canteen, STD, Guest House, Faculty flats and round the clock electricity, water supply. College has well equipped OPD clinics, latest laboratories, which is the envy of any institution.

■ N C COLLEGE OF ENGINEERING FOR WOMEN -

Prof. (Dr.) I.K. Pandey
Director

The Engineering College for women has been established after ambitious planning & foresight of management of NC & SD group of Institutions. It started functioning since the session 2008-09. While the women college shares its boundaries with the other two colleges, it is spread over a huge landscaped area of land with its Architectural beauty. Located on Panipat-Rohtak Highway (NH-71A) at milestone of 15 km. from Panipat. The lush-green surroundings make the college ambient and pollution-free. The College is built into four stories with a sole intention to make it fully centrally air-conditioned. Classrooms & tutorials rooms are provided with e-education methodology in order to create a conducive teaching-learning process to match all current standards. Laboratories have been equipped with the latest equipments to supplement the teaching-learning process. The employment of faculty makes a marked difference from other colleges of its class. 95 percent teachers are women with excellent professionals record for various courses of engineering. Teaching assistants and technicians for lab work are also women, which provides unique opportunities for interaction
