

SLEEPY HEAD

H.D. Deve Gowda

1996

When Haradanahalli Doddegowda Deve Gowda was caught sleeping at several public functions, INDIA TODAY wrote in March 1996: "If you happen to find Deve Gowda dozing off at public functions this year, don't worry. He will wake up soon enough. With P.V. Narasimha Rao's exit, Deve Gowda—the number four choice for the job—has lost his key backer in the Congress. In effect, he may even have lost the Congress' backing."
