

THE ACTOR AS DISCIPLE

Vinod Khanna with Osho

1979

When Rajneesh (aka Osho) arrived in India after four years on a chartered nine-seater Learjet, his reception was worthy of Hollywood royalty. About 500 of his followers lifted him bodily into a Mercedes driven by his most celebrated disciple, Vinod Khanna. All 60 rooms on the sixth floor of Delhi's Hyatt Regency had been booked for him, and only 10 of his closest disciples were allowed to stay in neighbouring rooms.
