- 10 greatest Indian **literary characters**
- 10 biggest **art moments**
- 10 **trend-setting** style statements
- 10 most memorable **advertisements**
- 10 cultural **black spots**
- 10 new **travel destinations**

More than three decades of evolving creativity played out in INDIA TODAY's prose. Bollywood threw up a succession of stars, some celebrated, other unsung. The arts beat a constant rhythm, rising to a crescendo of triumphs and descending to a diminuendo of controversies. The nation continued to explore itself, seeking new destinations, and newer forms of amusement. INDIA TODAY kept pace in literature, advertising and music.

10

unsung stars of Indian cinema

Often mere footnotes in Indian cinema, these men and women provided the scaffolding on which dreams were displayed, collaborating in path-finding cinema, building teams and creating professionals out of novices
