

Our Institute has proved to be one of the most useful and advantageous to Wine Industries by providing them trained and knowledgeable students of wine industry.

Viticulture and Enologist knowledge from our college has helped to develop vine yards and winery and quality of wine grapes.

In the year 2006 – 2007 we started our college and now 200 students are doing various courses on wine. So far 30 students have been trained in wineries in Italy. Our students have been widely acclaimed in Indian Wine Industries.

Wine experts / wine makers / viticulturist/Enologist, from various countries like from France, Italy, Germany, U.S.A., Australia are invited for expert lecture, workshop, conducted seminars, wine testing for all courses specially for B.Sc. in wine technology course & B.Sc. Applied students & Post Graduate Diploma in Fermentation, Distillation & Wine Technology.

PRAVARA INSTITUTE OF MEDICAL SCIENCES

(Deemed University)

SVERI'S COLLEGE OF ENGINEERING, PANDHARPUR

The year 1998 can be called as the landmark in the history of technical education of Solapur district as 14 qualified and experienced technocrats, under the initiation of Prof. B.P. Ronge, through Shri Vitthal Education & Research Institute, put the corner stone of the Institute named SVERI's College of Engineering, on the barren land in rural area under the village Gopalpur in Pandharpur Tehsil. The Institute offers Computer Science & Engineering, Mechanical, Electronics & Telecommunication, Information Technology and Civil Engineering U.G. courses and also M.E. Mech. (Design) and MBA as P.G. courses.

The mission for Academic and overall development of students, to make them globally competitive, maintaining Indian culture, has been a great success through effective implementation of specially designed tool / methodology 'Pandharpur Pattern in Professional Education'.

The Institute has become successful in maintaining its position in

Pravara Institute of Medical Sciences
