**DR. LOHIYA SUPER-SPECIALITY ACUPUNCTURE CENTRE
Drugless - permanent cure for incurable disorders**

Want to get rid of Paralysis, Spondylosis, Arthritis, Slip Disc, Asthma, Diabetes, Hypertension, Epilepsy etc.; that too without drugs? Acupuncture- a Chinese art will help you. In his interview in China, Chairman of Indian Academy of Acupuncture Science - Prof. Dr. Lohiya has claimed that Acupuncture is Indian in origin. Acupuncture points are stimulated to remove the blocks in the flow of energy and to balance the Five Elements thereby treating the root cause of the disease. Acupuncture is also useful to treat Migraine, Hypothyroidism, Sciatica, Frozen shoulder, Trigeminal neuralgia, etc. Indian Academy conducts training & treatment camps at major cities. It runs "Dr. Lohiya Acupuncture Treatment center" at Mumbai, (Near Plaza Cinema, Dadar West 9372007799, 9822058501), Delhi, Aurangabad, Hyderabad, Kolhapur & Pune.

Prof. Dr. Lohiya - Visiting Professor in China, Germany, Sri Lanka etc. has successfully treated Neurogenic Bladder, Azoospermia, Kidney Failure, Optic atrophy, Carpal Tunnel Syndrome, Varicose Veins, Coronary Heart Disease. Acupuncture can treat beauty problems like Acne, Pigmentation, Obesity, Wrinkles. Acupuncture points can also be stimulated without needles by using LASER, TENS etc. There are no side effects. Being drugless, your Kidney & Liver is absolutely safe !

THE CATHEDRAL AND JOHN CONNON SCHOOL MUMBAI

The Cathedral and John Connon School Mumbai, (CAJCS) has a 149 year track record of excellence in education. Its alumni includes luminaries as J.R.D Tata & Ratan Tata, Homi J Bhabha, Salman Rushdie, Anita & Kiran Desai, Rahul Bajaj & Anand Mahindra. The school's tradition of moving with the times is reflected in the establishment of The Cathedral Vidya School (CVS), a co-educational residential school at Lonavala, a hill station in the Western Ghats. It shares the same passion and commitment to high standards as the mother school. It has obtained authorization to implement IGCSE program and is also an IBO candidate school. CVS offers well-equipped laboratories, well trained faculty, a varied extra-curricular and community service programme, several sports facilities and a charming residential programme designed to make the school a home away from home. The school believes that the ability to assume and effectively discharge responsibility is an essential life skill and that this and other life skills imparted at formative years play as important a part in a child's growth as does academia. It is thus, that we encourage students to follow a value system that will stand them in good stead and that independence goes hand in hand with responsibility. The boarding schedule is
