

we placed the educational problems of the rural part before the state authorities of Nagpur district for immediate solution.

SOCIETY FOR INDUSTRIAL & TECHNICAL EDUCATION OF GOA (SITEG)

SITEG is a non-profit organization promoted by leading Industrial Organisations of Goa to impart need based High Quality Technical Education and presently runs the two premier institutions of Goa.

INSTITUTE OF SHIPBUILDING TECHNOLOGY, GOA (ISBT)

A polytechnic approved by AICTE offers apart from diploma level courses in Mechanical & Electronic Engineering, a unique 4 year Shipbuilding Diploma Course, the only one of its kind in Asia preparing supervisory cadre personnel for Shipbuilding, Ship repair and Shipping with sufficient knowledge of Naval Architecture, Marine Engineering and Fabrication. SITEG also offers a 6 months course in Shipbuilding for degree and diploma holders in Mechanical Engineering.

INSTITUTE OF MARITIME STUDIES (IMS)

IMS runs Marine Engineering Courses for degree and diploma Mechanical Engineers approved by Director General of Shipping and meeting the quality requirements of International Standards STCW 95. SITEG also runs courses for Shipboard Electrical Officers.

Continuous interaction with the industry and introduction of short term refresher courses to upgrade existing officers & technicians is emphasized and practiced by SITEG.

Both the above institutes have established impeccable reputation and their alumnae are sought after by reputed Indian & International Shipping & Shipbuilding Organisations. Both the Institutes enjoy a 100 % placement record.

DHRUV ACADEMY – THE SCHOOL WITH A DIFFERENCE

Dhruv Academy is situated 7 km. away from Sangamner on a 35 acre campus surrounded by hills and greenery. It is a day boarding cum residential, co-educational school. The school is conveniently located off Pune- Nasik highway at about 140 km. from Pune, 67 km from Nasik and 250 km. from Mumbai. It has infrastructure of International standard but is deeply rooted in Indian culture.

Though the school follows CBSE curriculum & all norms set by them, the teaching ideology of Dhruv is based on the theory of multiple intelligence with the belief, that given a chance, each child can set and achieve his goals in the area of his interest & aptitude.

Absence of branding, punishments, judgemental remarks encourages children to experiment, explore & learn. Dhruv provides holistic learning through finest infrastructure, multiple choices, excellent faculty, guidance & encouragement.

The school is the brain child of Dr. Sanjay Malpani. (Ph. D. Child development) As a social commitment, the Malpani group established this school 4 years ago. It is possible for the school to provide all facilities and infrastructure of international standard at a cost of about Rs. 1.5 lakh per annum, only because, the Malpani group has funded the project & is committed to continue funding it to provide quality education.

TILAK MAHARASHTRA UNIVERSITY

AN EDUCATIONAL INSTITUTION OF NATIONAL HERITAGE

Tilak Maharashtra University, a national heritage, was established in 1921 at the insistence of Mahatma Gandhi to be a memorial to great freedom fighter Lokmanya Bal Gangadhar Tilak.

The University has a scenic campus, modern infrastructure, well
