TILAK MAHARASHTRA UNIVERSITY Contd...

equipped laboratory, one of the richest resource library. The University has courses ranging from Ayurveda, Yoga, Sanskrit, Japanese to Health Care, Hospitality and Tourism, Engineering, Management etc.

The speciality is that the admission process is most convenient, and there is no donation of whatsoever for getting admission. Fee structure is also reasonable.

The faculty is experienced, devoted. The Vice chancellor Dr. Deepak Tilak is a journalist of repute, an educationalist and a sportsman of international recognition. He is the highest degree holder in Judo in India. The University provides placement assistance to the passing out students. It is one of the better learning options available.

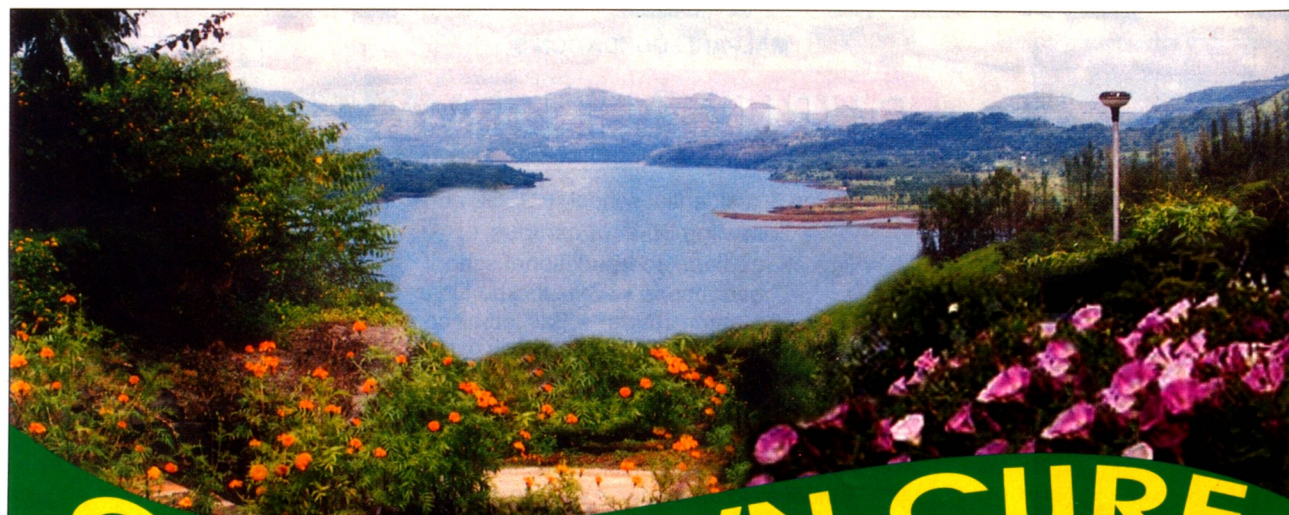

KARE

Dr. Prakash Kalmadi

KARE is a unique blend of age-old traditional Kerala Ayurvedic therapies, Iyengar medical yoga and relishing Ayurvedic vegetarian food. Situated in the lap of Mother Nature, surrounded by Sahyadri ranges and forests, KARE overlooks the beautiful Mulshi Lake. It is situated approx 2800 ft above sea level over a spread of 30 acres. Ayurveda - the ancient knowledge of health means '**The Science of Life**'. Inspired by Nature itself, this unique and holistic science, addresses the Mind, Body and Soul simultaneously. Thus, it becomes a system that not only cures disease but also works to help people arrive at perfect health.

A vibrant combination of the old and the new, KARE has evolved through the inspired vision of **Dr. Prakash Kalmadi**. At **KARE**, guests wake up to the chirping of birds to have their herbal teas. After the detailed consultation with the doctors the guests proceed for their therapies that aim right from De-Stressing to De-Rooting the
