GOD'S VALLEY INTERNATIONAL SCHOOL Contd...

campus commands an inspiring and serene view of the exquisite "Table Land". The School building is artistically designed and equipped with modern facilities and technology. The School e-library and laboratories are fully facilitated. The Computer Lab, the Math's Lab, the Art Room, the Music Room and the Meditation (Yoga) Room are the pride of our school.

The school provides modern sports facilities, NCC, horse riding, dance, yoga, excellent residential hostel for boys and girls, co-curricular activities for the over all development of students.

NICMAR "Karmabhumi of Vidya"

The National Institute of Construction Management and Research (NICMAR) is completing 25 years of its existence. Over the years, Projects Based Industrial Activity has evolved considerably with the advent of new technologies and practices. There has been a conscious effort on the part of NICMAR to adapt to these changes by introducing novel methods of learning to meet the requirements of the industry. NICMAR has taken the initiative to cater to the long felt need of professional human resources across a wide range of sectors such as infrastructure, real estate, manufacturing industry, oil and gas exploration, telecommunication services, power and so on. NICMAR's academic programmes include full time two year residential post graduate programmes, Executive Development Programmes and Distance Education Programmes. The institute emphasises research and case writing activities strongly and has now developed over 100 own cases. It has been accorded the status of SIRO - Scientific and Industrial Research Organization by DSIR, Govt. of India. The institute has academic alliances with several industrial organizations and educational institutes covering education, training, consultancy and research activities.
