Mr. M.L. Sehjpai
DIRECTOR

■ VISION ■

To carve out a niche in the Indian real estate sector by making huge contributions to the improvement of people's lives and opportunities in the years to come.

■ CORE VALUES ■

To establish ourselves as a consistently innovative company catering to all the stratas of the society with our concerted efforts in the Real estate sector.

THE ORGANISATION

Pearls Infrastructure Projects Limited is an ISO 9001:2000 and 14001 certified real estate company having a pan-India presence with a versatile portfolio of Townships, Residential Apartments, Shopping Malls and Commercial Complexes.

PROGRESSIVE STEPS

Pearls Infrastructure Projects Limited is one of the most diversified and widespread real estate developers in India. Pearls Infrastructure on its own and with JV partners has significant projects in Delhi, Punjab, UP, Gujrat, Tamil Nadu & Kerala. Apart from these, Pearls Infrastructure is in advance stage of launching projects in Uttranchal, Rajasthan, Maharashtra, Goa, Chattisgarh, HP, Karnataka and West Bengal.

Pearls Infrastructure has much to offer to the changing demands of the consumers by adopting the latest construction technology for the projects, which meet global standards, contemporary architecture and state-of-the-art facilities in aesthetically designed environs.

THE ELITE ADDRESSES

Today Pearls Infrastructure is creating strong presence by setting standards of excellence in specific areas like Townships, Apartments, Commercial Complexes & Shopping Malls in Metros, Tier II & Tier III cities.

Pearls Infrastructure is soon to deliver its premium Residential Apartments - Pearls Gateway Towers in Noida. Developed on a spacious 9 acre plot on the main road at sector 44 - the most sought after sector in Noida and close to the vibrant shopping area of sector 18 Noida, Gateway Towers meets all the aspirations of living in a modern, international standard housing complex.

The urban landscape in India is currently undergoing a transmutation as the real estate wave engulfs locations in Tier II and III cities, Pearls Infrastructure forays into this sector with their Residential Apartments - Nirmal Chhaya Tower, Zirakpur, Pearls Residency, Mohali, Pearls Gateway Towers, Vadodara to name a

few and many more forthcoming projects in the pipeline. Apartments are made to premium specifications, grand bedrooms, spacious balconies, luxurious baths...everything, making the comforts of space and convenience well matched.

The organization is successfully executing Pearls City in Mohali, a mega township sprawling across 500 acres with an exclusive area earmarked for NRI enclave within the township with international standard infrastructure and world class facilities, which makes it an iconic destination. The combination of location, facilities, infrastructure and the picturesque environment of the township make it a perfect choice for the consumers looking to exploit good aspects of life.

Pearls Infrastructure ushered in a new dimension in the Retail format in India with Pearls Omaxe, Pearls W-Mall & City Walk, Bhatinda and rapidly expanding quarters of Delhi. Both the malls are an amalgam of retail outlets and corporate presence.

Rapid advancements in technology and the influx of global business processes has changed the way people live, work and play across the nation. Pearls Infrastructure has combined the advantages of shopping with high profile business by successfully executing Commercial Complexes; Pearls Corporate, Pearls Business Park, Pearls Best Heights I & II in prime areas of Delhi and Pearls Plaza in Noida. It is a pioneering effort towards redefining the way people work, do business and shop. The location, contemporary ambience and design of the commercial complexes will fetch strong visual presence and an environment conducive for retailers and other businesses.

THE WAY AHEAD

Pearls Infrastructure is committed to be a pioneer of innovative living concepts and be the prime mover of the India's real estate sector. The forthcoming residential projects are in Mumbai, Delhi, Pune, Nagpur, Bangalore, Ludhiana, Bhatinda & Banur in Punjab, Dehradun, Madurai(Tamil Nadu) and Solan (Himachal Pradesh) which will redefine the quality of space, in design, dimensions and luxury.
