

■ Accreditations

To keep up with the very stringent requirements of discerning importers worldwide; Bush Foods is accredited with not only ISO- 9001/2000 & 22000/2005, British Retail Consortium (BRC) and Kosher, but we are also very proud to declare that we are India's very first food company to be accredited with social accountability (SA) 8000. Bush is also a fully Organic Accredited Company (USDA & EU Compliant)

The Company is now actively promoting and selling its Flagship Brands, "NEESA" Premium Gold Basmati, "Platinum Star" Premium Basmati, "Himalayan Crown" Premium Basmati and "Indian Star" Premium Basmati, not only in 14 states of India, but also in the U.S., Australia, Singapore, Cyprus, Turkey, Israel and Mauritius to start with. Within India; the Bush Basmati Brands are already available nationwide at Leading Super Market Retail Chains like Spencer's, Reliance Fresh, ABRL-MORE, Hariyali, KB Fair Price and Godrej Adhar etc.

The World class mill has a production capacity of approximately 200 MT per Day for Finished White Milled Rice and 250 tones per Day for Brown Basmati Rice.

The company warehousing and storage facility is spread over approximately 700,000 square feet; ensuring an excellent maturity of the rice kernel, thereby resulting in uniform palatability and fluffiness at boiling point.

■ Research to give fillip to technology

Bush Foods has a state-of-the-art laboratory which has generic knowledge of Alkali Spread, Aflatoxin and Manual testing of Traditional Premium A-Grade Basmati and Premium Pusa Basmati both; as well as non Basmati varieties like Sharbati etc.

The laboratory acts as a "Light House" of assurance to the exclusive Club of top quality premium buyers.

Intensive checking is done for all our incoming raw material and outgoing shipments as well; with constant records maintained very thoroughly; in order to provide the buyers with total traceability and transparency, for each and every cargo that they import from Bush Foods.

Cooking palatability, fluffiness and elongation results are paid particular attention in each and every shipment from Bush which is executed only after very stringent Quality Control tests have been performed.

■ Quality above Profits

Bush Foods is committed to total customer satisfaction in terms of quality and safety of Products. This helps them to stay ahead as a major exporter of top quality premium Basmati Rice.

■ Social Accountability

In lines with their vision Bush Foods is committed to conducting business in a socially and ethically responsible manner and focus on continual improvement.

Bush Foods will soon be opening a school for the Blind in Western Uttaranchal; in the Area of its Organic Cultivation. The Bush family of Organic Farmers is dedicated to producing Top Quality Organic Basmati.

Bush has recently opened its own office in New Jersey USA. The Company's flagship brands are already selling in North America in the Ethnic Market; and will also shortly be available in the Mainstream Market.

The Company also has a liaison office in Athens (Greece).

Mr. Awasty recently delivered a key speech at the London Rice Symposium; and will soon be addressing the Oxford Union; on his thesis "ONE ACRE OF TRUE FREEDOM; THE INDIAN BASMATI FARMER".
