

I said “No”

No to added sugar

No to added colour

No to added flavour

No to added preservatives

“Hi, I’m Pooja, and apart from a 9 to 6 schedule, I’m also a homemaker. Which is why, I lead a very hectic life - juggling deadlines, constant travelling, rushed meetings and trying to spend quality time with my husband. 24 hours were just not enough, and I realised that I was neglecting my health big time. I knew I couldn’t change my lifestyle, but I had to take a stand and say No to things that were making me unfit.

That’s when I introduced Réal Activ Apple juice in my life, and said No to added - sugar, colour, flavour and preservatives. In return, what I got was **100% juice** with the natural goodness of Apple. So do what I did.

Say No to all things artificial and stay fit the natural way.”
