

VIT
UNIVERSITY
(Estd. as 3 of UGC Act 1956)
Vellore 632 014, Tamil Nadu, India.
(formerly Vellore Institute of Technology)
www.vit.ac.in

A quest to be on par with the world's best.

VIT – India's No. 1 private engineering institution aims higher.

Like the true achiever who never rests on his laurels, VIT has raised its own bar of excellence even higher. It is this reputation of truly world class education that draws over 2000 students from every state of India and around the world; who come to this lush 300 acre campus, equipped with the best of facilities and realize their full potential.

Our 6 Schools provide the widest variety of technical specialisations for prospective students. There are 18 Under-graduate programmes and 31 Post-graduate programmes to choose from. In addition, there are research programmes leading to M.Phil and Ph.D degrees.

VIT - Highlights

- ▶ Has been ranked FIRST, amongst private Engineering Institutions in the country by a survey conducted by *India Today* Magazine.
- ▶ Was the first educational institution in India to get International Accreditations from Institution of Engineering and Technology, (IET), UK and Energy Institute, U.K.

VIT University was ranked No1 among all private engineering institutions in an India Today survey of India's colleges (2008).

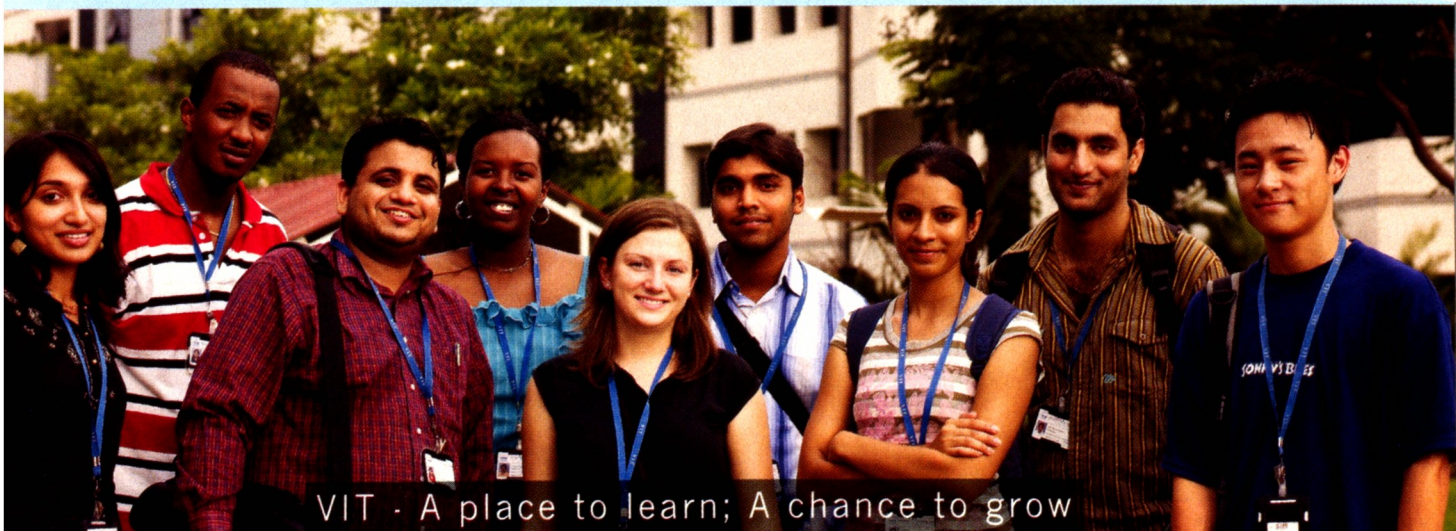

Very soon, VIT, like India's IITs will be the gold standard to measure the world's very best technical education by.

SIX SCHOOLS OF DISCIPLINE
