

BEST DOMESTIC
WATER PURIFIER
AWARD 2007 - 2008

THIS
FESTIVE SEASON
DO BRING HOME
HEALTHY
SMILES
FOR LIFE

This festive season, bring home the KENT Mineral RO™ Water Purifier. It offers double purification - RO (to remove even dissolved impurities like Rust, Salts & Chemicals) followed by UV sterilization. Moreover, it has a system to control essential natural minerals in purified water and makes bottled quality water at home. So that, when it comes to gifting your family, you make the best choice !
