

Maulana
Mahmood Madani

*"Madrasas
teach peace,
tranquility
and have no
link with

*"We complain to the world that
Islam is being exploited by
fundamentalists, yet when
reckoning with the opportunity
to resist their clamor en masse,
we fall curiously silent."*

Irshad Manji

S. Gurumurthy

*"It is the jihadi
theological
claim,
uncontested by
the Islamist
clergy and the
seculars, that
makes terror a
religious duty,
and a deadly
one at that."*
