

...with Strategic Planning?

The current changing face of global economics questions the very way we do our business. What it also brings back is chapters from the past. From the Great Slump of the 1930s to the current Economic Meltdown, there are lessons to be learnt. It's time we relook the way we do our business, make profits and grow. Can we create a new vision to face the challenges of today and bailout the world from crisis?

Global Meltdown: How Will It Ever Stop?
