

RAVI S SAHANI

Global Conscience

Because he is recognised for his ability to define the greater common good for global leaders and has relentlessly argued the case of the economically and politically oppressed at the high table of intellectual debate.

Becausehe can tell the Indian government that it cannot neglect public good while providing private income, and they will hear him out, respectfully.

Did you know? Kabir, one of his four children, is a rapper, while another, Nandana, is an actor.

The Enchanter

Becausethe recently knighted writer remains the guru of Indian writing in English and the symbol of its transcontinental success.

Becausehe combines the power to direct public debate on matters ranging from *Slumdog Millionaire* to the state of Pakistan with the unlikely power to seduce ever-younger women.
