Mr Big

Because he is Mr Big in every segment he has a presence in, from power to entertainment, from roads to coalfields.

Becausehis influence across the country's political spectrum is unmatched and he bagged three big ticket power projects even with an unfriendly government.

Becauseby 2015, he could be the biggest infrastructure player in India.

Becausehe is setting up 32,000 MW of generating capacity, building 500 km of roads, the Delhi Airport Express Metro line as well as the Mumbai Metro project.

Becauseeven as many are down-sizing, he will be adding 16,000 employees this year.

Becausehis tie-up with Steven Spielberg and movie production alliances with Hollywood stars from George Clooney to Nicolas Cage make him a formidable name on the entertainment marquee.
