

SCOTLAND'S SALTIRE SCHOLARSHIPS

Scotland has a number of prestigious scholarship awards available to enable talented young professionals from around the world to study a postgraduate Masters degree in Scotland. You can apply online through www.scotlandscholarship.com

Scotland has a long tradition of supporting international students who study here. In addition to an exceptional educational experience, you can apply to work in Scotland or the rest of the UK for up to two years through Fresh Talent Post Study. This will enable you to gain overseas work experience for your résumé that will put your achievements ahead of your peers.

A great package – so what are you waiting for?

For more information on application procedures, deadlines and eligibility criteria, visit www.scotlandscholarship.com or contact your local British Council office.

**“Scotland is a country that is very modern,
yet still proud of its history and traditions.”**
