SHRIYA PATIL SHINDE

All the Right Moves

Because he is now Disney's point man in India, with one of the world's most powerful empires acquiring a 60 per cent stake in UTV Software and 37.29 per cent in UTV Group. **Because** UTV's presence now spans a world movies channel to a business news network, gaming to the Internet, and the group has emerged as a global business, with 200 of its 1,000 employees based overseas.

Because UTV has shown an unusual flourish in backing sensible cinema, from the edgy terror thriller *A Wednesday* to the cult youth film *Dev D*.

acquisition A third gaming company and a dream home in Breach Candy that he and his wife worked on for five years.

is reading *Billion-Dollar Lessons* by Paul B. Carroll and a lot of scripts.

Rebuilding India

Because after reorganising their infrastructure entity, all projects are on track even in the current downturn, and they have refurbished the domestic terminal at Mumbai airport, begun work on a new terminal as well as kick-started the 540 MW Goindwal Sahib power project in Punjab.

Because they have entered into a new arena by signing up a greenfield port project in Gujarat and have opened a new luxury hotel in Chennai.

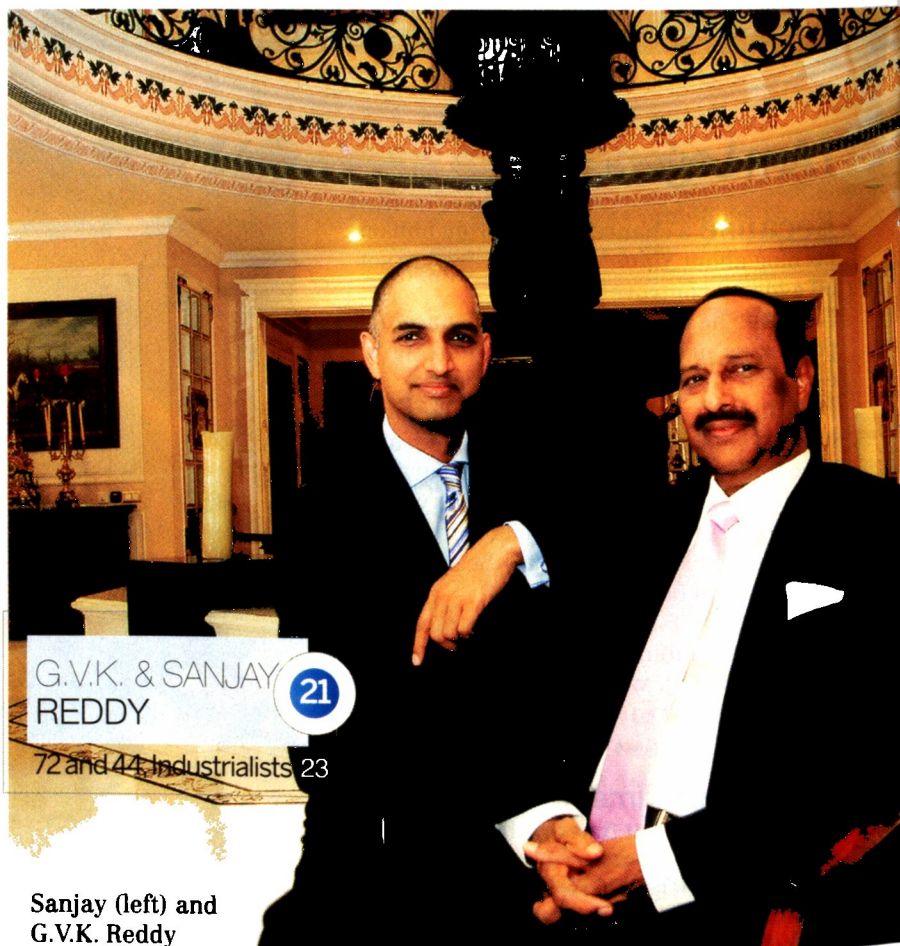

Because GVK Bio is poised to become a leader among biotechnology companies across the world.

signature look Canali suits and Versace ties for GVK.

favourite vacation spot London for GVK, Maldives for Sanjay.

unusual hobby Gardening for GVK and deep-sea diving for Sanjay.

diet secret Regular diet coupled with rigorous exercise for GVK; Sanjay generally avoids carbohydrates and desserts at night.
