

# KARNATAKA.

## THOUGHTS INTO ACTION

The Government in Karnataka, under the able guidance of **Sri B.S. Yeddyurappa** has really enthused the hopes and aspirations of the people of the State through prompt implementation of its promises made last year. The government is making sincere efforts to achieve all-round development of the State giving special impetus to backward areas. The budget 2009-10 stands testimony to government's determination to achieve its goal.

The glimpses of novel proposals made by the Chief Minister recently in the State Assembly.

"In the country of my dreams, the beggar and the landlord will have equal rights" - *Mahatma Gandhi*
