Try Flier

Because he is trying to weather the storm in aviation by transitioning from the traditional orthodox revenue model to an innovative one—wet-leasing his aircraft to other international airlines.

Because his airline still leads the pack with a market share of over 25 per cent and more than eight lakh passengers are on board across 400 flights each day.

embarrassing moment Fired 1,900 of his staff, then took them back amidst tears, calling them his 'family'.

looming air pocket Nearly 30 per cent of an airline's operational costs are pegged against the dollar.

laughter therapy "CEOs are handsome, entrepreneurs are ugly".

big achievement Jet is cutting costs in the back-end without compromising on its renowned in-flight service.

Mr Prudence

Because he is poised for a shot at the leadership of the financial sector as the titans ride into the sunset, with Kotak Bank being the fourth largest bank after HDFC, ICICI and Axis, making it the largest promoter-owned bank.

Because despite the global recession, his bank boasts of a capital adequacy ratio of 21 per cent, and in the shortest time, he has straddled every slice of the financial sector to emerge as a conglomerate with 18,000 employees and assets of over Rs 40,000 crore.

started life By walking around Mumbai's financial district, helping traders discount bills.

new obsession Applying the 'black swan' theory on current events.

little known fact He is a professionally trained sitar player.
