

The state government is committed to root out corruption and other administrative bottlenecks and has started a campaign to this effect. It has created a unique record of collecting revenue on a single day.

The main areas of achievement are as follows:

RURAL DEVELOPMENT

■ **NAREGA** : A total of 4562 Gram Panchayats in 247 Blocks of 24 districts have been covered under NAREGA. A total of 2.69 million population and 25.48 lakh BPL families have come under the NAREGA umbrella. 32.77 lakh job cards have been issued, of which 5.46 lakhs have been given to people belonging to Schedule Castes and 12.46 lakh to Schedule Tribes. About 473.23 lakh man days were created. A total of 1.28 lakh schemes were taken up and 36562 schemes have been completed so far.

■ **Swarnjayanti Gram Swarajgar Yojana (SGSY)**:

Under Swarnjayanti Gram Swarajgar Yojana, 71652 Self Help Groups (SHG) have been formed. 42715 SHGs have been assisted for economic activity. Of them, 5083 were of SCs and 18343 were of STs. Minorities formed 3312 of them and 36802 were of women. 24501 Members of SHGs have been trained. Credit of Rs 43.52 crore have been disbursed among these SHGs.

■ **Pradhan Mantri Gram Sakar Yojana (PMGSY)**:

With an objective of connecting every village, which has a population of 1000 or more or every tribal-dominated village having a population of 500 or more, with all weather roads, PMGSY has been started in the state.

URBAN DEVELOPMENT

JNNURM : The districts of Ranchi, Dhanbad and Jamshedpur have been selected under JNNURM. For Ranchi and Dhanbad, a tripartite agreement between Government of India (GOI), and Government of Jharkhand (GOJ) and concerned ULB was signed on 20.12.2007. Under Urban Infrastructure and Governance (UIG), water supply scheme (80:10:10) has been sanctioned for Ranchi with an estimated cost of Rs 28.39 crore. The DPR for sewerage and drainage has been prepared and a proposal for solid waste management with an estimated cost of Rs 70.50 crore has been sent to GOI. For Dhanbad and Jamshedpur districts also, these steps have been taken.

In these three districts, basic services for urban poor (BSUP) have been finalised and the execution is in full swing. The Government of India has sanctioned Integrated Housing and Slum Development Programme (IHSDP) for four districts.

ENERGY

Under Rajeev Gandhi Gramin Vidyutikaran Yojana (RGGVY), electricity has reached 12462 villages. A total of 12117 villages have been connected with grids and 345 villages have been provided with solar power systems. In these villages, 2.18 lakh BPL houses have been covered.

HOUSING

Under Indira Awas Yojana (IAY), 51088 houses are under construction and 22047 have been completed. A total of 798 smokeless chulhas have been installed and 852 latrines have been constructed. Under Deendyal Awas Yojana, the target is 2 lakh units and for this a fund of Rs 500.00 crore is available. A total sum of Rs. 445.23 crore has been spent and there are 2.18 lakh beneficiaries. Another housing scheme called Sidhu-Kanhu Yojana has been started in all 24 districts of the State.

SARVA SIKSHA ABHIYAN (SSA)

The state has a literacy rate of 53.6%. There are 30041 primary and 2975 middle schools in the state. The no. of Para Teachers is 70,965. The state has recorded a lower dropout rate in the year 2008-09. The state government has constructed 408 middle schools, 933 Model clusters, 293 Cluster Resource Centres, 15 Block Resource Centres, 7472 Additional Class Rooms and 964 Education Guarantee Scheme centres were upgraded to Primary schools, whereas 2588 primary schools were upgraded as Upper Primary Schools. Apart from this, 5787 new schools buildings were constructed. Drinking water facilities and toilets were constructed in schools, 3626 teachers were appointed in upgraded Primary schools, 5551 teachers were appointed in upgraded Middle schools and 2834 Para Teachers were appointed. A total of 45 Kasturba Gandhi Balika Vidyalyayas were opened.

OPENING OF ITIs IN JOINT SECTOR

The state government has initiated steps to develop quality technical education. For this, a proposal has been finalized to start nine Industrial Training Institutes in the state with the help of private sector. These ITIs will impart quality technical training.

NATIONAL HORTICULTURE MISSION

The state has vast potential in horticulture. Keeping this in view, the National Horticulture Mission was started in the state. Under this scheme, 29 nurseries have been established, 160 ha. area have been covered under vegetable seed production and 24400 ha. of new perennial fruits orchard (Mango, Litchi, Aonla, Citrus etc) have been established. A total of 2700 ha. of new papaya orchard have been established and 278 ha. of area have been covered under floriculture (Marigold, Gerbera and Gladiolus), 4900 ha. is for spices (Ginger, Turmeric and Chilli), 180 ha. for cashewnut plantations and 13 units (each of 1000 sq.m.) of hi-tech Green House have been established.

NATIONAL RURAL HEALTH MISSION (NRHM)

The state used to have infant mortality rate of 69 and maternal mortality rate of 371. In 2008, the IMR was further reduced to 48 and full immunization has increased to 51.9 per cent. Twenty one referral hospitals have been notified as a community health centre and 27,000 rural health committee have been formed in 59 blocks. 41,000 Sahiyas have been selected and Vision Centre were established in 65 blocks.

SURRENDER POLICY

Extremism is a major problem of the state. The state government has finalised an attractive surrender policy to solve this problem. The new policy guarantees return of left wing extremists into mainstream. This policy has various attractive packages to rehabilitate the extremists and their family.

PACKAGE TO HEC

Heavy Engineering Corporation (HEC) is the mother of factories. Of late, its condition had deteriorated due to several reasons. The state has sanctioned a package of Rs 855 crore for the revival of this pride of Jharkhand.

RECORD REVENUE COLLECTION

The state has created a record in revenue collection. On a single day, transport department has collected revenue of Rs 1.02 crore. Since the first week of February, an average of Rs 1 crore is being collected daily.

IRREGULAR APPOINTMENTS OF AAYUSH DOCTORS SCRAPPED

The state government scrapped the appointment of aayush doctors, when it was proved that corrupt practice prevailed in the process.

VIGILANCE DEPARTMENT BECAME ACTIVE

To root out corruption in government departments, the vigilance department of the state has become active. In the past one month, several corrupt officials have been nabbed and cases have been filed against them.
