

Multi-function steering wheel with paddle shift

This multi-function steering wheel lets you control the display and the audio system.

With paddle shift function on the steering wheel, changing gears will now be at your fingertips, literally.

6-speed automatic DSG gearbox

Presenting the perfect blend of a manual and an automatic gearbox – the DSG gearbox.

Shift gears without any interruption of power flow and shift them with absolute ease.

Truly, nothing but the DSG gearbox can guarantee a smooth drive.

8 airbags

The greatest importance is attached to your protection with new generation safety features like airbags for the driver and front passenger, curtain airbags in the front and rear, and side airbags in the front. Electronic Stabilisation Programme (ESP), Anti-lock Braking System (ABS) and Traction Control System (ASR) stabilise the car by braking individual wheels and preventing wheel lock.
