

The Obama Revolution

NOVEMBER 17, 2008

He transcended race, gender, age and experience to become America's first Black president. Now can Barack Obama deliver his country out of its worst moment at home and abroad? Also, what Obama's victory means for India.

“ Uneasy lies the head that wears a crown and such is the case with President-elect Barack Obama, who has to overcome many odds and rise to the occasion. Only time will tell if he can change things or becomes another change in US history. ”

Power Shift

The stupendous victory of Barack Obama marks the dawn of a new era, ushering in change and a lot of hope coupled with expectations not only for the US but the whole world. Obama has proved nothing succeeds like success and even an ordinary citizen can aspire to be the most powerful man on earth. He was indeed the best bet for Americans, who had to overcome insurmountable problems, and they deserve encomiums for taking a chance and voting for 'change'.

Finally, Martin Luther King's dream for Americans, who wanted change, has come true. This change will now face acid tests like revamping the US

Bidding Adieu

Will anyone be able to match Anil Kumble's consistent bowling and Sourav Ganguly's batting records ("Farewell, Comrades", November 17)? Their departure from active cricket has, no doubt, created a void, but hopefully our young men will fill in the gap soon and that too successfully.

Divisive Politics

Migrant workers hailing from Uttar Pradesh, Bihar and Jharkhand are being victimised in Maharashtra and they are bearing the brunt of Raj Thackeray's fury, for sharing *amchi* Mumbai's pride ("Bully by the Horns", November 3). Thackeray Jr's call to get his state rid of "bhaiyyas", as north Indians are called there, is politically motivated. His clarion call to protect the rights of Marathi *manoos* is a sure-shot method that will not only help his Maharashtra Navnirman Sena outwit the Shiv Sena, but also set the
