

BOSE®

Bose® Lifestyle® 35
DVD Home Entertainment System

The Lifestyle® 35 DVD Home Entertainment System delivers captivating 5.1-channel surround sound with the award-winning Jewel Cube® speaker arrays, a sleek horizontal center-channel speaker and our high-performing Acoustimass® module. It's easy to integrate this home entertainment system with other sources, including those with HDMI.

The innovative ADAPTiQ™ audio calibration system, analyzes then adjusts the system's sound to your room's dimensions, speaker placement and preferred seating locations.

You simply enjoy home theatre performance with no need for further adjustments to your system. Or your room.

*Buy one today and get a 32" LCD at a special price.
