

I my different lives

What does your life look like? You decide.

Xperia™ X1 has nine panels that let you access all areas of your life at a touch of the screen. Web, email, movies and more. Maximise what you're into, minimise what can wait till later. Express yourself, experiment, explore – make your phone as individual as you are.

DVD-quality video playback | Turbo 3G & Wi-fi | Arc slider design | Windows Mobile™ 6.1
