

**FAMILIARITY OFTEN BRINGS ABOUT COMFORT.
OCCASIONALLY THOUGH, CHANGE DOES IT A WHOLE LOT BETTER.**

The Indica Vista stands as a powerful testimony to the fact that any change on the outside, begins from the inside. The interior, with the best-in-class space, sports a two-tone dashboard giving it a modern, upmarket look. The central instrument panel brings about in-driving passenger involvement, and also improves frontal visibility for the driver. The height-adjustable driver's seat and the tilt-adjust steering wheel allow better posture and overall driving comfort. A sophisticated new suspension system is capable of ironing out every crease in the road, while the two DIN stereo system with USB port makes those long drives even more enjoyable. What's more, the Indica Vista is powered by the internationally acclaimed, advanced QUADRAJET diesel engine and the world class CVCP SAFIRE petrol engine. Drive the Indica Vista. Discover how it changes everything.
