■ CWAT: TRAINING THROUGH QUALITY AND SAFETY

Capt. J.K. Dogra

CORPORATE WINGS AND AVIATION TECHNOLOGY (CWAT), A company owned and managed by **Capt. Jatinder Kumar Dogra**, offers one stop solution to aspiring pilots. An Airline Pilot by profession, **Capt JK Dogra** is a senior Commander on Boeing 737-700/-800 aircraft, besides being type rated on Bombardier CRJ-200, Cessna Citation 550, Beach King Air C-90, Cessna 404

Titan, Piper Chieftain Panther, Piper Navajo, Piper Aero Star to name a few. He holds the dual distinction being an Aviation Engineer also, having numerous Aircraft Maintenance Engineering licenses. The company offers complete package for commercial pilot license to be obtained from reputed flying training schools in Canada. At present three high standards flying academy namely West side Aviation in Pitts Meadows, Vancouver, headed by **Mr. Kamal Singh**, SkyQuest Aviation at Vancouver, owned and managed by **Capt. Ron Reynold** and Blue Bird Flight Academy in Toronto with **Mr. K. Bajwa** as one of the director, provides best of the training to the students of **CWAT**.

All aspirants are screened comprehensively prior their admission for Pilot training program. The company excels in providing state-of-the-art training to its clients with best value for the money and ensures a competitive edge amongst its contemporaries. It is a pleasure for **CORPORATE WINGS & AVIATION TECHNOLOGY** to announce our new joint venture with newly opened DGCA approved flying academy "**AMBITIONS FLYING CLUB Pvt. Ltd.**" located at **ALIGARH (U.P.)**. We are starting next batch for Ground School & Induction from 14th October 2008. **Limited seats are available.** The Ground Training Academy of **CWAT**, with highly qualified and experienced Instructors, is equipped with all modern training aids. The abinitio pilots are grilled for one month comprehensive ground training in Navigation, Meteorology, Regulations and Air Technical as per the syllabus prescribed by Transport Canada, prior to proceeding to Canada for flying training. **CWAT** also prepares pilots for **CPL** Composite paper and extends ground training in all subjects for **CPL (General)** and Airline Transport pilot license (**A.T.P.L.**) examination as well.
