INTERNATIONAL HONOURS FOR INDIAN DOCTOR

Dr. R.K. Tuli

In recognition to outstanding contribution in promotion of Holistic Medicine for global health, Dr. Ravinder K. Tuli has been recently bestowed with 'Honorary Doctorate (PhD)' by Open International University for Complementary Medicines, 'Star of Wellness 2008' award by World Wellness Open University and '2008 Man of the Year in Medicine' award by American Biographical Institute, Inc.

Dr. Ravinder K. Tuli is the global pioneer in his chosen specialty, having established the world's first ever department of its kind at the multispecialty tertiary care JCI accredited Indraprastha Apollo Hospitals, New Delhi. He explains, "Holistic Medicine is an optimum integration of the 'science' of modern medicine with the 'art' of various officially recognised drug-free complementary systems of health with a 'healing touch'. It manages the individual as a whole, body-mind-spirit, and thereby all the ailments concurrently. It is an excellent complement to all the specialties of medicine to improve the final outcome of every sickness and enhance quality of life."

Holistic Medicine enables faster, more complete and cost-effective recovery from all acute or chronic diseases. It even helps in permanent
